ANGELS ON THE BAY

HELPING CHILDREN WHO NEED A LITTLE MIRACLE.

Since 1994, Angels on the Bay has supported dozens of pediatric initiatives and child-centered facilities, located in hospitals, medical centers and schools to raise funds to help provide the tools, technologies, and supplies needed to make the lives of children better.

It has been our mission to support these programs and facilities that are unique and vital to improving the care and outcome of children with illness, special needs or challenges.

Angels On The Bay raises money by organizing big beautiful events that support our mission.

98% of all funds raised goes directly towards our causes. We invite you to help us make a difference and, look forward to seeing you at one of our many fundraising events.

With every best wish,

Sincerely yours,
Cookie M. Kurtz, Vice President,
Executive Director
